EcoSafe[®] Slimline Bunded Oil Tanks Specification Sheet

TITAN EcoSafe[®] Slimline

Introducing the Ecosafe[®] Slimline

The Kingspan Titan EcoSafe range of slimline bunded oil tanks have been specifically designed and built to provide responsibly safe and secure heating oil storage whilst offering the perfect solution to premises with limited space and access restrictions.

These models have a smaller footprint than standard oil tanks making it much easier to manoeuvre and fit into tight spaces.

Available in 650, 1100, 1400 & 2000 litres.

Characteristics

This range offers the same trustworthy characteristics as the EcoSafe family including:

Quality - Quality product design, specification and service; ensuring absolute peace of mind

Service - Excellent customer service is our priority including full technical and after sales support, a trustworthy guarantee and fast delivery times

Approved - All tanks are CE marked*

kingspan.ie/oil

* The CE mark applies to the primary storage tank.

** 10 year warranty applies to tank only.
