

Technical drawing of a rectangular vessel with rounded ends, showing dimensions and internal components. The overall length is 5240 (OVER FLANGES APPROX) and the overall width is 1952 (OVER FLANGES APPROX). The internal length is 5100. The drawing includes three circular openings, each with a diameter of Ø160. The left opening is labeled "Ø160 INLET" and the right opening is labeled "Ø160 OUTLET". The distance between the centerlines of the first and second openings is 2447, and the distance between the centerlines of the second and third openings is 1240. The distance from the left flange to the centerline of the first opening is 400. The distance from the centerline of the first opening to the centerline of the second opening is 1935, and the distance from the centerline of the second opening to the centerline of the third opening is 1685. The drawing also shows a central vertical partition and two vertical dashed lines.

Technical drawing of a three-chamber manhole assembly, showing plan and elevation views with dimensions and labels.

Plan View (Top):

- Overall width: 3000 mm.
- Overall depth: 1500 mm.
- Chamber diameter: Ø1600 mm.
- Chamber spacing: 1000 mm between centers.
- Labels: "Ø1600 INLET" on the left, "Ø1600 OUTLET" on the right, and "Ø1600 CHAMBER" in the center.
- Reference: "DATUM 0.000" at the top.

Elevation View (Bottom):

- Overall height: 2200 mm.
- Chamber height: 1500 mm.
- Chamber width: 1600 mm.
- Chamber depth: 1000 mm.
- Labels: "Ø1600 INLET" on the left, "Ø1600 OUTLET" on the right, and "Ø1600 CHAMBER" in the center.
- Reference: "DATUM 0.000" at the top.
- Bottom elevation: -2.284 (APPROX).
